

December 2015

Dear Parents and Carers

Co-opted appointments to each Sharnbrook Academy Federation Local Governing Body

Within Sharnbrook Academy Federation we want the best for all children, with our work focussing as you would expect on the quality of the education they receive. All Sharnbrook Academy Federation schools are supported in this aim by a Local Governing Body (LGB) which is made up of representatives of the parent body, staff and other community representatives.

We are currently seeking to co-opt governors to join these groups. This is an excellent way to find out more about how the schools work and support the education available to the students who attend. As you will know, we are currently consulting across all SAF schools for proposed changes to age-ranges, structures and admissions and the support and challenge of effective LGBs representing all stakeholders will be vital as this progresses. We have a maximum of 5 co-opted governors on an (LGB) at any time.

If you are interested in this role then please fill out the attached form and return it to Tracy McDonagh, Clerk to Governing Body at the above address by 18th December 2015. The Sharnbrook Academy Federation Board of Directors will co-opt governors to the LGBs in January 2016, if, after assessing the skillsets of the applicants, they would complement the aims and work of the LGB.

More information on the role of the Local Governing Body can be found on our website via the following link: <http://www.sharnbrook.beds.sch.uk/saf-governance/13589.html>

Alternatively you can contact Tracy by telephone on 01234 782211 ext. 6609, or via email at tmcdonagh@sharnbrook.beds.sch.uk.

Yours sincerely
