

PE and Sports Premium for Primary Schools 2014-15

Harrold Priory School is a 9-13 middle school (Years 5, 6, 7 and 8). As such it receives Government funding under the PE and Sport Premium scheme to support activity in this area, specifically for primary aged students ie those in Years 5 and 6.

The documentation below outlines the additional sport that the school provides for sport in all year groups, but the expenditure specifically in Years 5 and 6 exceeds the additional income received from this grant.

Funding for 2014-15

Schools with 16 or fewer eligible pupils receive £500 per pupil

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

The funding for Harrold Priory is £8,930 .

What is Sports Premium?

The government is providing funding of £150 million per annum to provide new and substantial primary school sport funding. The funding is jointly provided by the Department for Education, health and Culture, Media and Sport and will see the money going directly to primary schools to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil per year. The money can only be spent on sport and PE provision.

Advice given on how to use the PE and Sport Premium

Schools must spend the funding to improve the quality of PE and sports activities they offer their pupils, but they are free to choose the best way to spend the money.

For example, the school can use the funding to:

- Hire specialist PE teachers
- Hire a qualified sports coach to work with teachers
- Provide existing staff with teaching resources to help them to teach PE and sport
- Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life Clubs
- Run sport competitions or increase pupils' participation in the School Games
- Run sports activities with other schools.

Sports Premium Report

Harrold Priory appreciates the contribution that PE makes to the health and well- being of its children. We also strive to offer a wide range of both curricular and extra- curricular sports activities in recognition that a broad and balanced high quality offer has a positive impact on the concentration, attitude and achievement of pupils.

During KS2 all pupils receive a minimum of 2 hours of PE a week, delivered by specialist PE teachers. In Key Stage 3 the curriculum time for PE rises to 3 hours per week. The Sport premium funding is allowing us to employ an extra PE teacher for half of the week so that the group sizes are reduced and we can offer a wider range of activities and provide additional professional development for our staff.

Teachers and young leaders provide a wide range of after school clubs, both for team and individual sports.

Monitoring and Evaluation

- This report will be updated at the end of the year to identify the success of the above initiatives and the impact that they have had.
- Delivery will be monitored by the PE leaders in the first instance. This will be overseen and managed at senior level by the Head of School.
- Monitor the take – up of extra - curricular activities
- Monitoring will include observations of teaching, drop ins to clubs run by school staff, volunteers and outside agencies to ensure that provision is of high quality.

Action plan for 2014-15

Objectives

- To improve the provision of PE at Harrold Priory
- To continue to participate in competitions to a high level
- To broaden the activities available to students
- To increase and monitor the participation in sport and physical activity

	Action and Evidence	Staff	Cost
Extra member of staff employed part –time for one year to reduce group sizes and offer a wider range of sports for the students	Emma Bunworth worked 0.5 for the academic year 2014-15. She taught Netball, Hockey, Tennis, Volleyball, Football and Gymnastics. She lead a Gymnastics Club after school for interested children.	Working closely with Steven Rowley and Lisa Benson to deliver sporting activities to 376 pupils. Mentored by Lisa Benson	£7,160
	She also took 2 football lunchtime clubs for KS2 and KS3 to increase the girl's participation rate. They finished third in the District Fussball Tournament.	Gymnastics Club 8 weeks 22 pupils	£288
	To ensure that Year 5 children have access to a high quality PE curriculum that inspires pupils to succeed, schemes of work have been developed to deliver the national curriculum in smaller groups.	Girl's football	£288
Table Tennis	Elstow TTC A club after school on a Wednesday for pupils. New indoor table tennis table purchased	60 pupils attended overall.	£600
Young Sports leaders training	Year 8 pupils are trained to support extra -curricular	2 days training by 2 PE Teachers	£600

	activities in school alongside PE staff and to help at Lower school Sports Days and festivals.	29 pupils trained as Young Leaders	
Development and purchase of PE equipment	Table tennis bats for pupils to borrow from the PE department for break and lunch.		£60
			£8996

**National Curriculum Subject content.
Pupils should be taught to:**

Use running, jumping, throwing and catching in isolation and in combination.

Play competitive games, modified where appropriate, such as badminton, basketball, cricket, football, hockey, netball, rounders and tennis, and apply basic principles suitable for attacking and defending.

Develop flexibility, strength, technique, control and balance, for example through Athletics and gymnastics.
Perform dances using a range of movement patterns

Funding for 2015-16 is £8910.
